LANGUAGE SPECIFIC SUPPORT SERVICES (KAIURUNGI) FOR TE PAE MOTUHAKE O TE TAI TONGA: OTAKOU-MURIHIKU/DUNEDIN BASED

Kia ūkaipō anō te reo Māori: “Te reo Māori is restored as a nurturing first language”

This is the vision of a new Māori language strategy called the Maihi Māori that was developed by Māori for kāinga, hāpori and iwi.

Early in 2017, Te Mātāwai met with all stakeholders nationwide to gather feedback on Māori language initiatives in homes and communities, their aspirations for te reo Māori and the role of Te Mātāwai in realising these aspirations. The feedback informed the development of the Maihi Māori 2017-2040 Strategy.
